ABOUT ME

Physical trainer with a degree in sports sciences with early high-level experience. I have gone through all the categories and teams based on a very integrated training taught by Villareal CF. Specialized in strength and load monitoring, but with knowledge of rehabilitation and physical therapy. My experience as a coach in Soccer 8 also stands out. I like continuous knowledge and new experiences and challenges are my greatest concern.

COMMUNICATION AND INTERPERSONAL SKILLS

Interpersonal and communication skills

Team Collaboration – Demonstrates the ability to work seamlessly with teammates and coaching staff to achieve common goals, contributing to a cohesive and productive team environment on and off the field.

Active Listening – Listen carefully to comments and instructions from coaches and teammates, making sure you fully understand them and showing respect for their perspectives. This skill fosters strong, trusting relationships within the team.

Conflict Resolution – Effectively manage and resolve conflicts to maintain team harmony and a positive environment. Address disagreements constructively and help find mutually beneficial solutions.

Positive Attitude – Projects positivity and resilience, encourages teammates, and encourages perseverance. Maintains a strong mental attitude that supports the team during difficult situations, helping to raise collective morale.

Effective Feedback Delivery – Provides constructive feedback to teammates in a motivating and supportive manner. Ensures feedback is clear, actionable, and delivered respectfully, strengthening team cohesion and individual growth.
